

## Prophetic Focus of April 2025

By Apostle John E. Sagoe

### Topic: Holy Spirit

Key Verse: Zechariah 4:6

*So he answered and said to me, "This is the word of the Lord to Zerubbabel: Not by might nor by power, but by My Spirit," says the Lord of Hosts.*

Welcome to our month of the Holy Spirit that **stirs up the spirit of revival** in our midst.

As we all know, revival is not just an event. It is a **spiritual awakening, a fresh outpouring** of the Holy Spirit. Therefore, I see a month of spiritual renewal, soul-winning, returning to holiness, deep repentance, and fresh fire in worship and prayer.

I see a month where our **studying about the Holy Spirit will energize** our faith and **take us deeper** in our relationship with God.

I see more people **discovering** their spiritual gifts and also **activating** them by putting them to work.

Let us pray for this **season** to be a time of **making right decisions**, especially for our leaders and those in higher positions, such as government officials, teachers, and ministers of the Gospel.

Let us **pray against the spirit of depression that is coming this summer**. In the realms of the spirit, I saw how people were struggling with many issues, which would lead to them losing the joy of life and the joy of doing anything this summer.

Let us also **pray against the spirit of death** that might result from **weather-related problems** and climate change in our nation and nations.

Good news!

I see **open doors in the area of our professions that will bring profit**, especially in those professions that have been stagnant. I see breakthroughs and forward movement in these areas.

**Opportunities to share the Gospel** will increase this month. Let us take advantage of the grace in the atmosphere, which will help us to create, innovate, and apply our spiritual gifts.

I see more and more people opening up to the Gospel in places where it has previously been difficult to share.

This month I see an **increase of the manifestation of the Holy Spirit** in our midst ~~this month~~, including:

- The fire of the Holy Spirit
- Speaking in tongues
- Boldness to witness
- Deliverance and freedom given by the Holy Spirit
- Baptism of the Holy Spirit

Prophecy for the year 2025 to continue to pray for:

### United States of America

I hear the Lord say that we have to pray for Donald Trump. Because **this administration of Donald Trump** is going to face more hardship, **is going to be tougher than his first presidency**. He will be fighting a **three-dimensional war**, I heard, **at the same time**:

1. One is going to be **physical opposition** and **within the United States of America** that will not want him to succeed, including politically and individually. So they will not want him to succeed politically and individually.
2. The second war he will be fighting is that he will be facing the war, **physical war that is around the world**. Example Ukraine and Russia, Israel and the Middle East, and the rest of the small ones that nobody talks about.
3. And then the third war he will be fighting, and this is where the church should come in, is a **spiritual war**. So that he do not carry out the agenda of God in the United States. Because the **evil societies**, the secret societies, **will not want him to bring godliness** into that nation the way God has planned it for him.

So let us pray that he will rise for those occasions.
