

Prophetic Focus of February 2025

By Apostle John E. Sagoe

Topic: Miracle Month

Key verse: Luke 1:37

For with God, nothing will be impossible.

I see a month where we will experience **a lot of possibilities**, especially in the areas where things have not been working out for us before.

There will be a lot of **demonstration of the power of God** this month, especially in the area of sickness and also in the spiritual realm.

I see more and **more people stepping into the supernatural** and seeing healing manifest through them like the way it did in Jesus' days. I also see more revelation in the area of word of knowledge and wisdom when it comes to working miracles and doing supernatural.

God will use more of His people this month to show His love and mercy, and also to draw other people closer to Himself.

I see a month where we will experience **divine vindication** as children of God because His hand will be at work in our life these days against the kingdom of darkness.

As we move in faith this month, God will give us **a lot of grace in order to accomplish more things** than we could normally do.

Jesus is empowering us with unusual strength to draw people closer to Him and also giving us strategies for Kingdom advancement.

This month I see **God fighting for us and defending us** against outside influence and from all kinds of enemies of the Church and of the Kingdom.

This month the Lord is going ahead of us in our going-out and coming-in with **divine protection** from any attack of the enemy that wants to hinder us from carrying out **God-given assignments**. God will enable us to carry out those tasks sweatlessly.

I see more and more the **presence and power of God manifesting in our midst like never before**, in a way that will amaze us.

This season God will advance His kingdom by revealing His power and showing His love and compassion **in the things that we do**.

I see people being **encouraged** by the healing power of God that will be in the atmosphere.

Watch out:

I see a month where **wrong lifestyle** will get people into **trouble**.

I see a month where **the enemy wants to separate us from God** and His love.

Good news:

I see more **people repenting from their sinful ways** and turning to God. I also see more people seeking His guidance because of the new level of hunger for His glory that is released in the atmosphere this season.

I see a month where God will **surround us with godly people and destiny helpers** that will help to strengthen our faith and our prayer life.

Prophecy of the Year 2025 to continue to pray with:

General prophecies

I see **a lot of tension** here and there generally in our world, but it will not result into a world war. Because this year, the world is going to go into **a lot of negotiation and settlement**. So it's a year where leaders will try to seek for peace. So let us pray that the Prince of Peace, Jesus Christ, will preside over the world.

Then during our leadership retreat in November this year in our headquarters here in Switzerland, we received a word I just want to chip in here because I think it's important for 2025: We have to pray and be more alert about the food that we eat, because we see **more food that will contain poison** in 2025. So we have to be prayerful and also vigilant and observant.
