

Prophetic Focus of June 2025

By Apostle John E. Sagoe

Topic: Victory

Key Verse: I John 5:4

For whatever is born of God overcomes the world. And this is the victory that has overcome the world— our faith.

Prophetic explanation of VICTORY:

V – Valiant Faith

Hebrews 11:33 - *Who through faith subdued kingdoms [...]*

- Faith fuels victory

I – Identity in Christ

Romans 8:37 - *We are more than conquerors through Him who loved us.*

- Knowing who you are brings confidence in battle

C – Conquering Power

Luke 10:19 - *[...] I give you authority [...] over all the power of the enemy [...]*

- You don't fight alone — you fight with authority

T – Triumphant Living

II Corinthians 2:14 - *[...] God who always leads us in triumph in Christ [...]*

- Victory is not occasional — it's your lifestyle

O – Overcoming Spirit

Revelation 12:11 - *They overcame him by the blood of the Lamb [...]*

- You are wired to win

R – Resilience in Trials

James 1:12 - *Blessed is the man who endures temptation [...]*

- Victory is not the absence of battle, but endurance in it

Y – Yes to God's Promises

II Corinthians 1:20 - *All the promises of God in Him are Yes and in Him Amen [...]*

- Every promise is your possession

This month, God is calling His people into **divine order** that **will metamorphose into victorious living**.

I see a month where divine priority will override human agenda to bring about the desired victory and results.

I see more and more people **rebuilding their personal prayer altar and devotion** for great victory this month and beyond.

I see the following in the atmosphere in the month of June:

- peace and stability in relationships
- favour in alignment with God's timing
- divine protection and coverage
- clarity in purpose and direction
- faithfulness in ministry and business

I hear the Lord saying that in order to live victoriously this month and beyond it's **time to stop dividing the Church** with denominational pride, stop using grace as an excuse to sin and stop disrespecting spiritual authority.

It's a season to **break confusion and set priorities right**.

Therefore, let us continue to **pray against the spirit of depression** that is coming this summer. In the realm of the spirit I saw how people were struggling with many issues, which would lead to them losing the joy of life and the joy of doing anything this summer.

Therefore, I prophesy into the atmosphere and the environment as follows:

I declare **peace will rule** in our hearts and homes. **Stability will replace instability** in families and friendships. **Forgiveness and understanding** will flow freely. **Marriages and partnerships** will be strengthened. Bad relationships will be exposed and removed. **Divine connections** will flourish and grow deeper. The **Prince of Peace will rule** in our relationships and workplaces. **Toxic connections** are exposed and removed. **God restores** broken families, ties, and friendships. **Communication is healed** and strengthened in relationships, marriages, and homes for a better establishment in love and unity. **Relationships will not be a source of stress but a source of joy and strength this month**.

I proclaim the following as the Lord revealed it to me this month:

No evil altar rising to sabotage our progress in our workplaces, businesses, ministry, and nation **will prosper** this year in Jesus' name.

So let us come under divine protection through **raising a personal prayer altar** and thereby binding and casting down every spirit of witchcraft this month.

We decree and declare that this is the month where **many people will be promoted** in different areas of their lives; especially those people that are not expected to rise or be victorious this month. The grace and mercy of God will lift them up.

Prophecy for the year 2025 to continue to pray for:

Raising of individual leaders

This year, **God is also raising revivalists**, not only healing revivalists, but revivalists again. So more and more people will carry that mantle of revival and they will be ready to pay the price in order to see that move of God in our midst. And this coming anointing or mantle of revivalists - or revival - will come with tremendous spiritual gifts. I also see how many, many lives are going to be transformed and many prayer lives are going to be deepened. Amen.

But I also see a move of **young people**, but also people in the middle age that are still very vibrant, **rising in an unshakable faith** this year. And don't forget this assignment is for the next five years in the Body of Christ. We're going to see people rising in an unshakable faith. They will trust God in every circumstance and God is going to show up for them.
