

Prophetic Focus of March 2025

By Apostle John E. Sagoe

Topic: Divine Visitation

Key Verse: Acts 9:3-4

"As he journeyed, he came near Damascus, and suddenly a light shone around him from heaven. Then he fell to the ground and heard a voice saying to him, 'Saul, Saul, why are you persecuting Me?'"

I see **a month of divine visitation** with the following impacts:

- We will see **lives transformed** more than ever before, especially those that are against Christians and against the Work. It is going to be a month where **God will win the souls of those that are hard to get**, both in our families and in the society. Their hearts will be softened.
- I see **a month of breaking chains and delivering God's people** from the hand of the enemy, just like it was in the days of the children of Israel when God visited them and set them completely free from the Egyptians in Exodus 14.
- It's a month where we will see **favor, acceleration and visitation** that will shift people **from prison experience to palace experience** like it was in the days of Joseph in Genesis 41.

I hear it's a month where **doors that have been shut for a long time are going to be opened up** in the area of business, ministry, work situation, and also education. So let us take advantage of this open heaven in these areas.

I see a month where **fresh fire from Heaven will be released** that will stir up more passion for revival in the heart of many - like the divine visitation on Pentecost that empowered the believers to do greater things in the book of Acts 2.

This month, I see **more opportunities for supernatural manifestation and soul winning** in our workplaces, circle of our friends or on the streets God will bless the work of our hands so that the difference between the Christians and non-Christians will be obvious.

So let us take the opportunity to plant good seeds of evangelism that will result in a great harvest.

I see in the atmosphere a shifting of destinies:

God will be visiting individuals, communities, nations, cities, and churches. We are to pray for these occurrences of supernatural manifestations where **encounters will result in transformation of lives** like it was in the days of Saul changing to Paul in Acts 9.

I see a month where **difficult situations** that have looked impossible are softened and **things will be working out**.

Watch out:

I saw some **establishments that have been running for a long time all of a sudden facing difficult challenges** and coming under attack this season. So let us pray for especially Christian organisations like churches, ministries, and companies, but also charity and humanitarian organisations, that they will come under God's protection and that they will overcome any sudden attack. I saw particularly the big and well-known names under attack.

Good news!

I see **supernatural victory in the work of our hands and in our relationships**.

I see breakthroughs and impossible situations becoming possible because God will be channeling financial blessings in order to advance His kingdom this month.

Prophecy of the year 2025 to continue to pray for:

Mantle

And then what I saw is that **mantles are being released** in our world today and many, many **people that have gone ahead of us that were like fathers of faith or mothers of faith**, and their mantles are not being carried or their gifts are not being replicated.

I saw God giving the Body of Christ the chance again to catch those mantles. So I see people rising in those dimensions of Smith Wigglesworth and all those giants that have gone to be with the Lord. And even some of the people will be operating more than that dimension. So let us keep it in prayer, because we are in a new season in the Kingdom. God is **preparing the generation that will finish the work before the second coming of our Lord Jesus Christ**. Amen. So that mantle is the mantle for the last battle. So it will come on our younger generation.
