

Prophetic Focus of September 2025

By Apostle John E. Sagoe

Topic: Good News!

Key Verse: Isaiah 52:7

How beautiful upon the mountains are the feet of him who brings good news, who proclaims peace, who brings glad tidings of good things, who proclaims salvation, who says to Zion, "Your God reigns!"

I see a month where **God is birthing new things**. He will **restore everything in our lives that has been broken**, including our health, broken relationships, marriages, families or businesses.

I also hear a season of **God announcing favor**.

It is going to be a time where the Church and believers will hear, carry and announce the good news of the Kingdom.

I see a season of angelic visitation to help us carry out the work of the Kingdom.

God wants us to arise into a pure stream of the Holy Spirit in Switzerland and in Europe, so we can become free from limitations in religion, tradition, culture and also in our personal life.

The Lord says this is a **time of cleansing** in our families, in our banking systems and financial institutions and our politics, because there are a lot of things going on that don't please God.

A time of cleansing this year also connotes **that God is raising an altar of righteousness**, and **Switzerland will also be a role model in that for Europe**.

Rising in righteousness will also lead us to rise in **Kingdom wealth**.

Switzerland will not only be known for neutrality but also for **bridging gaps for peace**.

God will bring peace into individuals' lives, into families and marriages, which will **lead to stability in the leadership both in governments and in churches**.

Concerning the Swiss youth I saw them burning and rising into a **covenant with God**. This wave will **spread across Europe** and also bring others into the real meaning of covenant. It will set a new pace. This covenant, rooted in Switzerland's foundation on the covenant of 1291, will be driven by pure love and will ignite again genuine evangelism and charity.

God is restoring true love and unity, breaking jealousy and division, also in the Church.

The more we commit ourselves to this new wave, the more blessings will rise within ourselves and within the Church.

Let us, like Noah, not get weary of preaching the message of love and charity. Even shortly before judgment, God will still open windows for repentance (Genesis 7:4).

Switzerland's covenant of 1291 was not only political but deeply spiritual, binding the nation under God for a higher purpose. It was made for the sake of unity. The early Swiss founding fathers understood that **true stability and peace flow not from power or wealth, but from agreement before God**.

Whenever the enemy attacks, he attacks the foundation, in this case to destroy the unity and bring division into the Church, which is also represented in this covenant.

Because of Switzerland's foundation based on this covenant with God, revival, reformation and major movements like the Basel mission came from this nation.

Based on this covenant for peace, also important humanitarian organizations like the Red Cross were founded in Switzerland, and the nation has its well-known reputation of neutrality, pointing back to justice, mercy and peace.

Therefore, **let us wake up**, because **God is calling us back to the root**.

This month of September **is our month of Good News, so let us also *connect* to the divine atmosphere** of good news and **personalize** these proclamations:

- This September is the month of good news only, for me and my family
- Every phone call I receive will only bring me good news
- Every letter I open will carry blessings and favor
- I receive the anointing of debt cancellation, in Jesus' name
- Any medical consultation will only bring me good news and declare me healthy
- The last bad news I heard are the last bad news I will ever hear
- My children will never bring me bad news
- My spouse will never bring me bad news
- At work, I will not be demoted or dismissed—I will rather be promoted
- No matter what the enemy has planned, I remain under the atmosphere of good news through prayer and God's presence
- I belong to the Kingdom of God, to the Kingdom of good news!
- What the enemy meant for evil, God will turn for my good.
- We might hear of bad news, but we declare: Minus me, minus my family, minus my community, minus my church—bad news will not come near us!

Prophecy for the year 2025 to continue to pray for:

General Prophecy

I see **a lot of tension** here and there generally in our world, but it will not result into a world war. Because this year, the world is going to go into **a lot of negotiation and settlement**. So it's a year where leaders will try to seek for peace. So let us pray that the Prince of Peace, Jesus Christ, will preside over the world.
