

Prophetic Focus of December 2024

By Apostle John E. Sagoe

Topic: Manifestation of God's Blessings

Key verse: Isaiah 7:14

Therefore the Lord Himself will give you a sign: Behold, the virgin shall conceive and bear a Son, and shall call His name Immanuel.

Welcome to the month of the manifestation of God's blessings!

This month we will see and hear **more and more of new people coming into the Kingdom**. Therefore let us be ready to **disciple these people** that have newly given their lives to Christ this month.

I see a season of **continuous praise, remarkable wisdom and exceptional growth** in the last few weeks of this year in the Kingdom.

Prophetic declaration of what we want to see next year must start now, says the Lord. So let us pray prophetically to declare exactly what we want to see God do in our lives, families and churches next year.

I see in the Heavens a season of **release of all the blessings that have not yet manifested** in our lives this year. So let us not give up, but rather be alert and pray fervently into receiving these blessings manifesting in the physical before the 31st of December.

It's a time to **seek divine insight for extraordinary outcomes**, and to navigate through challenges with godly wisdom. For I see us ending the year with good news.

God is calling us to **anticipate rapid advancement** and to enter a dimension of no more limits in our spiritual journey this month as He will bless the work of our hands.

Watch out:

I see unexpected **unclean spiritual invasion of our privacy** this month. So let us speak and pray against any gates that are opening for any spiritual attack in our practical private lives and also in our unconsciousness (like e.g. when we sleep).

I see a month of **increase of wrong interpretation of personal visions, dreams and prophecies**. Therefore let us pray for grace to overcome confusing spirits in our spiritual discernment this season.

Good news:

It's a month where we should anticipate that all our **prayers will be answered speedily** and in a godly direction.

I see the fasting and prayer for the December PSOM bringing **even more answers and good news than we expected**.

Let us continue to pray concerning Switzerland & Europe:

I hear that especially this winter there are going to be spiritual activities on the **Swiss mountains**. So I hear we should **pray** in this area **against any blood-thirsty demon**.

I hear that we should also pray for **Europe**, in particular for **cities that are very close to borders**, that no attack of the enemy rising against them shall be able to prosper this season.

Finally I hear we should pray for the **churches in Europe to be open for the upcoming move of God that will come through influence from outside the continent**. For I practically see God sending people from Africa and Asia to bring a special spiritual renewal here in Europe. Let us pray for the openness to that.

Let us also pray for our coming **House of Glory Revival 2025**, that the **renovation** of the House of Glory will be speedy and ready by 1st of March.

Prophecy of the Year 2024 to continue to pray for:

Economy of the world

In this year we are in an economic transition.

That means that this will be a year where God will be giving us the **wisdom and understanding for investment and storing**. So I see many business people in our nation here and many other nations, all the way into 2025, storing and investing in the right places by the leading of the Spirit. **From 2025 onwards, the world will enter a new dimension of economic problems**. But God is giving us the warning beforehand, so that we will **be ready** for 2025.

If you believe in **supernatural provision**, then **get ready for unusual miracles**.

Activate spiritual blessings: By this I don't mean that you are doing nothing, but I mean that what you are doing, God will bless it beyond your imagination. **God will bless the work of our hands beyond our imagination**.

I also see **nations receiving creative ideas in their economic planning**, and opening of business opportunities and investments this year.

Therefore, **let us open up our heart and our spirit** as business people of the Kingdom **for this divine download**.

However, let us learn to **pray it through** as we receive these things, so that we don't fall into the hands of the wrong people.
