

Prophetic Focus of July 2025

By Apostle John E. Sagoe

Topic: Open doors

Key Verse: Revelation 3:8

I know your works. See, I have set before you an open door, and no one can shut it, for you have a little strength, have kept My word, and have not denied My name.

Welcome to the month of July, our month of open doors. **Open doors is a God-ordained moment of access, advancement, and divine permission to enter a new realm** of opportunity or assignment. It is not something man can create. Only God can open them.

This month, I see **supernatural help and acceptance**. Where we once were rejected, God will open a better door. We will see unlimited access to favor. I see a new season where God will shift some things to work in our favor.

I see a month **God is calling His people to go higher and deeper in intimacy with Him**. It is a month of unusual open doors and also a season of intimacy with God **that will open the heavens** for revelation and prophetic insights.

I see a season of spiritual eyes and ears opening to enable us to fulfill God-given assignments, for more prophetic impartation through deeper revelation and in order to study the supernatural realm.

I see **suppression of free speech** rising in some countries in this season.

I also see **debt crisis** in developed countries on the increase.

I saw in the realms of the spirit a **cyber attack**. Data theft is on the increase, and this also will result in an **increase in banking collapse** and distrust in financial systems.

I see **this month's Friday prayers clinic will come with quick response** for I see breakthrough prayers - a release from delay and blockage of blessings.

This month God is calling us into **intercession prayers** as Body of Christ that will bring divine provision and blessings.

Loss of identity and confusion among the young people is on increase, and the enemy is attacking their gender and purpose for existence.

Watch out and pray about the following points **about depression**:

- Depression linked to certain times of the year
- Depression that occurs after childbirth, affecting moods
- Appearing fine outwardly but struggling deeply inside for long periods
- Fear without a cause or inability to relax or sit still
- Fatigue or low energy, even simple tasks feel draining
- Loss of interest or pleasure, no longer enjoying hobbies, relationships or spiritual activities
- Feeling like a burden, failure, or undeserving of love or grace

Watch out against **any spiritual attack** that might come **from people closer to us. It may look like they are helping us, but in reality, it is against us.**

Good news:

God is opening a door no man can shut.

Angelic and human help is released to support your assignment, calling and journey this season.

Your set time has come. The delay is over. God says, now is your time.

Prophecy for the year 2025 to continue to pray for:

General Prophecy

I see **a lot of tension** here and there generally in our world, but it will not result into a world war.

Because this year, the world is going to go into **a lot of negotiation and settlement**. So it's a year where leaders will try to seek for peace. So let us pray that the Prince of Peace, Jesus Christ, will preside over the world.
