

Prophetic Focus of October 2021

By Apostle John E. Sagoe

Topic: Covenant keeping God

Key verse: Hebrews 13:20-21 (NKJV)

Now may the God of peace who brought up our Lord Jesus from the dead, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you complete in every good work to do His will, working in you what is well pleasing in His sight, through Jesus Christ, to whom be glory forever and ever. Amen.

I see a month where the **covenant** we have **with God will speak for us**. So let us continue to take the Holy Communion in our services and also individually this month, for the blood of Jesus will be speaking better things than the blood of Abel.

We are encouraged to **continue to pray** individually **in the Spirit** this season as this is the key for the victory.

I see a season where we need to **reach out to one another** like never before to encourage each other as the days we are living in will be demanding for that brotherly care and love in Christ.

I see a season where **things that we have prayed for** will not be answered exactly the way we expect it, but it will work for our good at the end if we don't give up.

Let us **intensify our prayer for leaders and key people** because I see that in the next three months it's very, very important to pray for them against any kind of attack.

Things to watch out for in this month of October:

Let us continue to **pray against the fear in the atmosphere and bad weather** for this winter season that is ahead of us.

Good news:

I see **unusual intimacy with God** and the things of God that will result into **passion for kingdom assignments** and people of God like never before.

Psalm 89:34 (NKJV): *My covenant I will not break, nor alter the word that has gone out of My lips.*

Prophecies of the year 2021 to continue to pray for:

(Let us not forget to review again the Prophecy of the Year and pray for all, that the good ones will manifest, and that the bad ones will be uprooted and abolished in Jesus' name.)

Politics:

- I hear that the Lord says we should **continue to pray for our politicians** (Note: 2020 there was a prophecy about judgment on politicians which we saw through the corona crisis)
 - o I see **serious confusion** that is rising in many governments this year. Because there is no understanding or agreement within them we will begin to hear about severe **disagreements** in parliaments which will seriously **affect the decision making** of nations. And this will put a lot of things on hold, and even in some nations these disagreements of the law makers will bring them backwards.

- I also hear that this year politicians will be making more **crazy laws** which are really unbelievable. Therefore we need to pray, because with the kind of laws we are going to hear about this year, you will ask yourself if they are really human beings or if they have lost their minds. You will see them as they are coming and you will remember this prophecy.

Medical field:

- I hear **the confusion continues**. This year we will continue to see all kinds of arguments and misunderstandings. We are trusting God that He will help us to come out of these medical scandals.
- Also this year there will be a very **heavy increase in the pharmaceutical industry** in terms of business, but it is not going to please or satisfy the people. I saw **demonstrations rising up** against the pharmaceutical companies or the medical world. It was like even the doctors were fighting each other and people coming against them as well. There is a serious **division** that will be surfacing more and more this year.
