

# Prophetic Focus of September 2021

By Apostle John E. Sagoe

## Topic: Spiritual Emphasis

Key verse: I Corinthians 2:14 (NKJV)

*But the natural man does not receive the things of the Spirit of God, for they are foolishness to him; nor can he know them, because they are spiritually discerned.*

This **month of Spiritual Emphasis** is an opportunity for us **to continue to learn and grow in the prophetic and the ways of the Lord.**

As previously mentioned already we are in the **second month mandated by God to watch out for** as it is very important for our world. A lot of things are going to keep shifting in the spiritual realm.

I see also a month where we will **continue to pray for at least 15 minutes every day.** It is so necessary and will help us to go a long way in bringing us into an **attitude of an overcomer** and living victoriously, sayeth the Lord.

This season as we **seek the face of God** with fasting and praying and communion services in the church every Friday and Sunday **we will be spiritually fulfilled.** It will be a time of testimonies and God's faithfulness in the lives of His children.

I see a month where we **hunger and thirst for righteousness and we shall be filled,** according to Matthew 5:6. This month we will be **developing a godly character** by honoring the practice of spiritual discipline and commitment to living honorably before man and God.

I hear the Lord say this season we should **be in expectation for** the following:

- **a transformed spiritual life**
- **mind-blowing miracles and testimonies**
- **spiritual and physical promotion**
- **physical and spiritual reward**
- **God giving solutions to overcome strongholds**

Things to **watch out for** in this month of September:

I saw a **thick, dark cloud** coming in form of a supernatural thick blanket upon people **to suppress, stagnate and to create an atmosphere of fear** in order to **hinder people from going forward spiritually** through all manner of signs that have to do with weather and atmosphere challenges. But **God will give us victory** over them.

Good news:

I see **many souls liberated** and **coming to God with joyful expression in their faces** as believers because of the things that God will be doing this month.

**Prophecies of the year** 2021 to continue to pray for:

(Let us not forget to review again the Prophecy of the Year and pray for all, that the good ones will manifest, and that the bad ones will be uprooted and abolished in Jesus' name.)

Church:

- I see an **unusual manifestation of God on earth** this year.
- This is the year **people will look unto the Church** for spiritual assistance and spiritual direction.
- There will be **a lot of manifestation of greatness** coming out of the Church this year.  
The People of God will all of a sudden start rising in different aspects of life:

- Especially there will be signs and wonders manifesting in different churches around the world that will almost look like a **healing and miracle revival**. As we look unto God we will see the fire burning more and more, and it will flame up more and more in nations that accept God to be their god.
- In parallel I also saw a lot of **creativity** rising in the Church because God will be giving His people direction. Therefore the Church will begin to overcome every limitation and every stigma that the world has put on us in the past years.
- I also see the **society looking unto the Church**, not only for spiritual assistance, but for godly wisdom.
- But God says: Tell My Church to be careful because of the **spirit of pride that is going to rise** in the same level and that can affect the move of God. Let them watch their hearts and be careful that they don't fall victim to looking unto the outcome and the manifestation of what God is doing and forget about the *God* that is doing it.
- God says: I will be guiding My people in **having results** this year. This year is a year of having results.
- **Those that have fallen**, says the Lord, I will pick them up again, and if they humble themselves, I will put them back in the Church where they belong to.
- It is a year where **God will honor His Church** like never before.
- I see also a **year of spiritual eye opening**, more than we have ever seen it.
  - Don't forget: The quest of this year is based on the **spiritual war** that is in the atmosphere, and many things will be decided this year in the spiritual world. Whether of good or of bad, it will be decided in the spiritual realm. Therefore the spiritual war that is in the atmosphere will then begin to manifest in the physical. So depending on what is happening in the spiritual world I saw **different nations going to war** – physical war. But we must pray for the Body of Christ to be more victorious in the spiritual war so that it will not affect those key nations.
  - There will be an amazing encounter with the **Antichrist spirit** this year. So we have to be careful not to fall victim to it, because the recruiting has begun in the spirit at a very high speed.
  - Note: When we say a year is a year of acceleration, please don't be naïve. In the same way there is acceleration in the spiritual realm of God, in the same way there is an acceleration in the devil's kingdom. So in general **there is acceleration in both realms this year**. So be very, very careful. Therefore we will really need **protection and the spiritual armor** like never before this year.
  - God says I should let you know that He is **raising** some **key people** in the Christendom **around the world** that will be coming together in unity for **spiritual gate keeping** so that we can stop every calamity and every arrow the enemy has positioned against the Body of Christ. The way I see it on a global level, I also see it on a national level and even up to church level. So let us pray towards that because it will help to put **real order in the Body of Christ**, and that will also lift up the image of the Church to the next level.
