

Prophetic Focus of November 2021

By Apostle John E. Sagoe

Topic: The Hand of God

Key verse: Acts 7:50 (NKJV)

Has My hand not made all these things?

This November I see **unusual things happening** with the hand of God manifesting in our lives and our world.

It's a **season of intimacy and deep unity with God**. After the covenant follows intimacy with God for a next level of partnership and for expanding the Kingdom.

The hand of God can **unlock blockages in the spiritual realm**. As we encounter Jesus this month, any closed heaven shall be opened.

Therefore any spirit of stagnation, hindrance and strongholds shall be uprooted in Jesus' name this month.

It's a **month full of life with God**. The hand of God will deliver us this month from every accident, calamity, struggle, marital problem and relationship problem in Jesus' mighty name.

Things to **watch out for** in this month of November:

- Let us continue to **pray against the fear in the atmosphere and bad weather** for this winter season that is ahead of us. May the hand of God protect us and our loved ones from every problem in this season.
- Let's **pray against any confusion spirit** that is causing people to work against their God-given destiny and their God-given assignment.

Good news:

I see spiritual fireworks in this November, also specially in this coming conference!

Prophecies of the year 2021 to continue to pray for:

(Let us not forget to review again the Prophecy of the Year and pray for all, that the good ones will manifest, and that the bad ones will be uprooted and abolished in Jesus' name.)

Nations of the world:

- I hear that many nations **will not recover** this year **from the damage of coronavirus**.
- What is frightening in the nations of the world this year: I see that all of a sudden **nations will begin to threaten nations** for something that is not really that weighty. This will become a very worrying and challenging situation for our world, but God will see us through in Jesus' name.
- Then I hear that we should watch out for an **increase of terroristic attacks**. We have to pray against terroristic activities.

Leaders in general (released on 04.01.2021, Week of the Altar)

- The Lord told me: Tell my people that we have to **pray for our leaders** this year: Leaders in the families, in organisations, in the political arena, in ministry, in companies and businesses, in working places, in every area we are leading something. Pray that **the Spirit of God will carry every leader** this year because there is a serious **attack that wants to hinder them**. Pray for divine protection, that they will prosper and accelerate in each of their areas and that they will experience breakthrough and favour in 2021.
