

Prophetic Focus of November 2022

By Apostle John E. Sagoe

Topic: Open Doors

Key verse: Revelation 3:8

I know your works. See, I have set before you an open door, and no one can shut it; for you have a little strength, have kept My word, and have not denied My name

I see a month of **divine open doors**, a month where the gatekeepers are going to be much awake and alert spiritually.

Take note:

This month of open doors means also **change** coming into our lives, families, and nations.

I see a month of favour to **accommodate new people** in our lives, families and church families.

This is a month of **victory for intercessors** over our nations, cities and families.

This month of November I see **God stopping the stopper** as He will be **doing a new thing** that any ear that hears it will be amazed because of His goodness in our lives.

It's also a month where God will be doing **mighty things in the Body of Christ** that will be remarkable and unforgettable.

It's a month of grace for **activating the light of God within us** in order to overcome any spirit of darkness and depression that is covering this winter, starting this November.

Watch out:

Pray against **the spirit of giving up**, that God will help us to fight to the end.

Pray against any **destiny hijacker and destiny exchanger** this month in our lives, both in the spiritual and physical realm.

Let us continue to pray that **no member of our families**, both physical and spiritual, **shall die this winter**. Any sickness and disease that comes this season shall pass over us in Jesus' mighty name.

Any **major attack being planned against our nations** shall not prosper this season, and every power of terrorism and evil shall be uprooted in Jesus' mighty name!

Good news, for I see...

- things **turning around for our good**
- more and **more people falling in love with God** and the things of God.
- the **glory fire on increase** in churches and ministries.

I also see a time of **refreshment and restoration as the Spirit takes over** our souls and bodies in the coming **Hour of Encounter** Prayer Conference from the 03rd to 6th of November.

Prophecies of the year 2022 to continue to pray for:

- I see the **struggle of coronavirus crisis into next year** – up to 2023 - with up and down challenges, unless our leaders surrender to God quickly with declaration for total forgiveness.
- It is a year of **individual authority that will carry us in the next three years**. That means the empowerment and the authority we are receiving today via the key can take us for the next three years, and then we will come like for renewal of our passport. We should manage it very well because it's an unusual power in our hand.
- I see that the world will experience the downside of it in those three years. Therefore we need **the key representing God's authority to overcome the plagues that are ahead of us**. Just like it was when the ten plagues of Egypt were directed against the ten gods of Egypt. That tells you that our battle is spiritual.
- **I see humans coming up with new strategic ways of attacking one** another by technology and science
