

## Prophetic Focus of April 2024

By Apostle John E. Sagoe

### Topic: Victory

Key verse: I John 5:4-5

*For whatever is born of God overcomes the world. And this is the victory that has overcome the world - our faith. Who is he who overcomes the world, but he who believes that Jesus is the Son of God?*

I see a month where God will give us both **spiritual and physical victory** in all directions and dimensions.

This is also needed because **this month** I see in the atmosphere **war intensifying in many places** – in nations, churches, politics, companies, families and between individuals.

But as we said, the good news is that as we focus on God, we will see victory beyond our imagination.

I see a month where we are receiving **strategies to stay victorious spiritually** so that we are then able to overcome in the physical.

It's also a season where I see us going to the **court of Heaven in prayer and plead our case for our families** and breaking all curses that have been placed on them.

We are also asking God for **divine protection for our families** from any attack this month.

As a reminder, let us **keep praying for key leaders and people above 40 years** for protection and for walking in divine victory, more especially in this season.

Let us pray for **nations that are having elections this year** to avoid evil blood sacrifice and using innocent human blood for their rituals.

This month we are focusing on why **Jesus' sacrifice** is superior to any other blood sacrifice in bringing us victory.

Take note of the following reasons:

1. His sacrifice was **voluntary**: He didn't *have to* die, he *chose* to die
2. He was a **holy and sinless** sacrifice
3. His sacrifice overcame all the animal sacrifices once and for all and has done away with any other sacrifice. Jesus' sacrifice took away our sins **once and for all**
4. Finally and most importantly **Jesus is the High Priest**, this means we don't need a mediator priest, He *is* the mediator

This month therefore will be visited with **need for repentance**.

It's also a month of **declaring the Word of God as it is**.

Let us watch out against every plan of the enemy that is coming to **hinder us from going deeper in our spiritual walk** or in our prayer life. He might bring in any external problem to distract us, even up to-physical wars.

Good news: It's our month of **sweatless victory through the Word of God and united prayers**.

Prophecies of the year 2024 to continue to pray for:

Other Nations of the world:

- Portugal
  - o Pray for them **to be ready for what God wants to do around May and June this year.**
  - o Especially **Christian leaders need to be ready** to be used by God. Pray against the **spirit of confusion** in their families bringing disagreement, so they can be **focused to carry out their duties** as mandated by God.
  - o It is also a year where **God is bringing up His Josephs and remnant** by empowering them to bring **resources into the Body of Christ** to advance His agenda.
  
- Ghana
  - o **God will bring up new leaders to do greater things.** Right now, there is a **training of apostles and top leaders, more especially young people and people with young minds.** God will be removing old leaders that are hindering His flow so that He can release the new breed of the people He is raising in the Kingdom in Africa.
  - o I hear generally, a new Africa has begun. This new **breed of Africans are rising especially in the Kingdom of God** with a **takeover anointing, guided by the Holy Spirit and led by God, for Africa to move forward.** It's time for Africa.
  - o Let us **pray for Ghana's elections this year** because I see **outside interference that will not go well** with the nation. I see a lot of **hate and bitterness in the atmosphere during the election time** which will result in fighting, killing, and destroying of things.
  
- USA
  - o **Serious spiritual declining** is taking place now which will lead to **more problems rising in the Body of Christ.** Leaders will get **confused**, and **this will cause people to lose their faith and trust in the system of the church.**
  - o The **US elections are going to be very unusual this year** because there will be a lot of **demonstrations and riots.** So let us pray.
  
- Pakistan
  - o Pray because of the **unusually serious threat of attack by natural disasters** that is still increasing **in that part of the world.**
  - o There is going to be **political misbehavior, misunderstanding and manipulation.**
  
- Great Britain/ United Kingdom
  - o We need to pray for Great Britain and the United Kingdom because **I see shootings and gun gang violence increasing.** Sexual molestation and rape lead to mental problems that then cause this kind of violence on the streets.
  
- Israel and the Hamas war
  - o **In the next six months, the war will be bloody. In summer I see a subsiding and an intervention.** Let us pray accordingly.
  
- Ukraine and Russia
  - o **The war needs urgent attention** especially on the side of Ukraine because of **the strategy Russia is about to implement.** Without outside intervention or help, many lives and resources will be lost.

- Nigeria
  - o **I see like a mass burial.** Even now after their presidential election year, there is still a **heavy contention going on in the spiritual and physical world** fighting for power and seeking to kill more people.
  - o The **domestic world needs urgent attention** because of the **serious ongoing oppression and attack** against the less privileged in the society. Pray that they will no more feed the evil altars with them to empower those in authority. **We need to ask God for help to overcome the outcome of those evil altars.**
  
- Other nations
  - Let us **pray for** the following nations, **especially concerning political decisions and internal crisis:**
  - Germany, North Korea, India, Guatemala, Poland, Australia, eSwatini, Peru, Turkey and many francophone countries in Africa
