

Prophetic Focus of February 2023

By Apostle John E. Sagoe

Topic: Divine Faith

Key verse: Romans 4:3

For what does the Scripture say? "Abraham believed God, and it was accounted to him for righteousness."

I hear: „Prepare My people against a **spiritual tsunami**.“

I see a month of **the manifestation of God's words, God's power and God's miracles**.

I see a month of **spiritual rollercoaster**. That means there is going to be a lot of spiritual ups and downs.

It's a month where God is calling us to **build on our spiritual foundation** as I see challenges in spiritual life that metamorphose into physical challenges.

God is calling the **Body of Christ to be connected back to the roots and to have a spiritual home**. This will be very much needed in order to be able to overcome the challenges of the endtime which will have a lot to do with spiritual battles. I hear in the atmosphere this season that we need to overcome all the challenges that are related to the lack of spiritual homes. So God is calling us back to the roots.

Let us pray, for I **see bad weather as a sign of what is going on in the spiritual realm**.

Good news:

I see a **month God is strengthening our spiritual foundation** and empowering us like never before.

I see a month of **release from sinful nature that is like a stronghold** in people's lives.

I see a month of **divine encounters with God** where there will be **strange visitations** with God and the Spirit of God in places we don't expect Him to appear to us or to speak to us.

I see a month of **financial blessing** that leads to debt cancellation.

I see a month of **open doors for new jobs and new assignments** also in the Kingdom.

Watch out against **confusion spirit and the spirit of lies** which would result into

- **heartbreak** in relationships
- people ending up in **conspiracy theories because of wrong information**

Prophecies of the year 2023 to continue to pray for:

Politicians and governments:

I smell conflicts in most of the nations of the world.

- **Political confusion will increase this year** in different nations of the world like we have not seen it before. It will be like a trend that will almost become normal for many nations.
- A bit worrying and frightening is the **high level of betrayal that is on increase** among politicians.

- Likewise there will be an **exposure of political evildoers**. The Lord is saying that He will expose them seriously this year.
- Many governments will be fighting an **economic battle for survival**.
