

Prophetic Focus of July 2023

By Apostle John E. Sagoe

Topic: Divine Manifestation

Key verse: Luke 1:45 (KJV)

And blessed is she that believed: for there shall be a performance of those things which were told her from the Lord.

This is a month where we should **expect the manifestation**, revelation, performance, anointing, demonstration and witnessing **of the power of God**.

We shall see the **manifestation of our prayers** this season like never before. So let us continue to come together in **Prayer Clinic** every Friday.

I hear the Lord say: Many people will begin to see the **manifestation of all the physical and spiritual seeds that they have already sown in the first half of this year** in the next three months.

Also I hear God say that He will show us things that will **remind us** as the Church of Jesus Christ **of His will and ruling power in the world again** as it was already prophesied in January:

"The full manifestation of the power of the Church will be seen in an extraordinary way on earth, more than it was at the beginning."

Let us continue to **pray this month for our children**, especially when they are out for school holidays, excursions or even playing outside.

Also continue to be very careful about **any unexpected attack of the enemy** in and around **this holiday season**.

In this seventh month I see seven things that through our **deeper relationship with the Holy Spirit**, He will do for us: The Holy Spirit will...

1. ... lead us (Romans 8:14, Galatians 5:18, Matthew 4:1, Luke 4:1)
2. ... empower us (Luke 4:14 & 24:49, Romans 15:19, Acts 1:8)
3. ... fill us (Ephesians 5:18, Acts 2:4, 4:8 & 9:17)
4. ... teach us how to pray (Romans 8:26-27, Jude 1:20)
5. ... anoint us for everything we do in ministry, family, work and elsewhere (Luke 4:18, Acts 10:38)
6. ... set us free from the law of sin and death (Romans 8:2)
7. ... quicken our mortal bodies (Romans 8:11)

Good news:

I see **grace to overcome any longtime challenge** in our ministry, education, profession, business, work or relationship.

Watch out for any rebellious spirit coming against us through our inner circle or close relationships, including through biological or church family members, even in the body of Christ.

Prophecies of the year 2023 to continue to pray for:

Switzerland

- A **spirit of depression will be on increase among politicians and governments**, the leaders in the land. The stress at work and in their assignment will increase the volume of depression. Therefore we have to pray for them.
- This results into a **spirit of procrastination and delay for lawmakers** in making decisions, as much of it is also engineered by **fears of failure**.
- **Critical decisions** are ahead this year in order **to move the nation forward** and to put the people in a better position because of **the coming economic crisis**. The decisions will among others have to do with
 - 1- Border-related issues
 - 2- Issues related to consumer products
