

## Prophetic Focus of August 2023

By Apostle John E. Sagoe

### Topic: Divine Vision

Key verse: Habakkuk 2:2-3

*Then the Lord answered me and said: "Write the vision and make it plain on tablets, that he may run who reads it. For the vision is yet for an appointed time; but at the end it will speak, and it will not lie. Though it tarries, wait for it; because it will surely come, it will not tarry."*

Welcome to our month of Divine Vision!

I see a **season where God is leading us to realizing our visions and dreams**. I see also a **season of possibility** for those who have been unable to see visions and realize their dreams.

It's also a season of **divine revelation and guidance**.

God will open our spiritual eyes more and more to see clear visions as it is written:

*Where there is no vision, the people perish [...] (Proverbs 29:18, KJV)*

I see a month where **God is leading us into studying symbols and signs in visions and dreams**.

This month we shall receive **new strength and vision to take up again unfinished assignments or projects**.

I see **grace to start new things** and also **inspiration to move things forward**.

**We will hear amazing good news about individuals, nations, organisations and churches**. So let us pray for no hindrances concerning these good news that are destined for this month.

Another good news: I see **sudden disappearance of addictions and sicknesses** from people because others have been praying and interceding for them.

Watch out for **people sowing wrong seeds of division** in our lives, marriages, families, church and working places.

Let us **pray against any major natural disasters**.

Also continue to **be very careful about any unexpected attack** of the enemy in and around this season.

Prophecies of the year 2023 to continue to pray for:

Church of Jesus Christ globally:

**Churches that are not ready for changes this year cannot survive the next two years** because God will move in an unusual **speed** to **prepare** His church **for the end time harvest**.

- God is **warning** the Church: We missed the last two years of **window of opportunities**. **We must not miss the coming one**.
- Be reminded: **God is working things towards the 1000 years of millennium** where the church of Jesus Christ will rule the world again. **The full manifestation of the power of the Church** will be seen in an extraordinary way on earth, more than it was at the beginning.
