

Prophetic Focus of September 2023

By Apostle John E. Sagoe

Topic: New Level

Key verse: Daniel 2:21

And He changes the times and the seasons; He removes kings and raises up kings; He gives wisdom to the wise and knowledge to those who have understanding.

As we are living in a **time of divine transitions**, the Spirit of God is positioning us for a new level of assignment and calling this month.

I see a season where **our interest in certain things will be changing for good** in order to fulfill the **prophetic calling and mandate** in our lives.

- I see a season where **our mindset** will become more and more of that of Jesus.
- I see a season where **things that used to interest us before** will be of no interest to us anymore.
- I see a season where **relationships** will be changing for good in order to fulfill the mandate that God has for us in the endtime.
- I see a season where **we will begin to see many things manifest that we have called out from the Heavenlies** through prayer since the beginning of the year.
- I see a season where **prophetic mantles** will be released in different dimensions in order for us to be able to accomplish different levels of **advancing the Kingdom of God**. E.g.:
 - o those that are called into healing will receive an extraordinary mantle for healing
 - o those that are called to prophesy will receive an unusual mantle for prophesying in details
 - o those that are called into serving will receive a mantle to serve

I also hear the Lord say that this is a season where many **many people will become convinced of their calling**. God will begin to do a new thing in taking them through the process of disconnecting them from the wrong and being rooted to the right.

I also see a time where **the Prophetic Word will be clearer in order to guide us** to see the manifestation of that which has been declared over us in this season.

I hear the Lord say that **this month there will be a mega reward for obedience**, even though it might look or seem hard, but the reward for obedience will manifest like never before.

I see also a month of **growing interest in investing time in studying the Word of God**.

And I hear the Lord say that there will be **divine courage to do things like we have never done them before** this month.

Good news:

I see a season and time where we are **moving into a place of birthing new things**, more especially according to that which **God has called us to do**. Therefore the **Church** is going to **be taking more territory** in this season than ever before.

Watch out:

Watch out for any **attack of the enemy** that is still lingering in the area of **our resources and wealth**. So be careful as we are still in the **2nd half of the year**, where we need to watch our financial transactions as God told us that this time will be visited with a lot of financial struggles. So be wise and invest well.

Prophecies of the Year 2023 to continue to pray for:

Politicians and governments in general:

I smell conflicts in most of the nations of the world.

- **Political confusion will increase this year** in different nations of the world like we have not seen it before. It will be like a trend that will almost become normal for many nations.
- A bit worrying and frightening is the **high level of betrayal that is on increase** among politicians.
- Likewise there will be an **exposure of political evildoers**. The Lord is saying that He will expose them seriously this year.
- Many governments will be fighting an **economic battle for survival**.
