

Prophetic Focus of October 2023

By Apostle John E. Sagoe

Topic: Breaking Limits

Key verse: Revelation 3:8

I know your works. See, I have set before you an open door, and no one can shut it; for you have a little strength, have kept My word, and have not denied My name

This month I see **God breaking all kinds of limitations.**

There is **a vision that I had many years ago** and I see it manifesting in this season more and more:

In a dream I was on top of a 5-star hotel building looking down into a huge garden where many people were locked up. They were in pain, in sorrow and all manner of sickness and suffering. The Lord said I should come down from where I was and go and open the gate of that garden. As I went to open the gate, some people came out, but many other people refused to come out because they had given up hope before I came.

But I hear the Lord is saying that **this is the time for His people to come out of this sorrow and pain.**

I see a month of **God breaking every barrier and removing all obstacles in our lives.** I see physical, emotional and spiritual limitations being uprooted this month and beyond.

Every plan of God for the Church and His people will manifest in Jesus' mighty name.

Every love letter sent to God in this time of breakthrough and thanksgiving prayers until the Hour of Encounter Conference **will be visited by the blessings** of the **Holy Spirit**, sayeth the Lord.

I see **God getting His Church ready to shine as a mega-light in the coming winter** in order to overcome every arrow that the enemy is throwing against God's people. Through this preparation, the Church will also be able to overcome all the darkness that is covering the world.

Watch out:

I see a **winter of many people feeling helpless** because of different attacks on individual health, emotions and spiritual life. Therefore God is calling us as His Church to prepare in order to have the emotional, physical and spiritual capacity to resist the devil's attacks.

Good news:

I see also a month where **many prayers are going to move as fast** as a lightning speed in order to accomplish their purpose. I see this happening more **especially** when we gather together in the **Hour of Encounter Prayer Conference** from 30.10. – 05.11.2023.

I hear the Lord saying that it's **a time of harvest from the seed we have sown** as Body of Christ and as a church **in the last 20 years** of Praying and Fasting in this nation.

So I see big and amazing miracles in this year's Hour of Encounter Prayer Conference that will bring undeniable, life-changing testimonies, sayeth the Lord.

Therefore let us **prepare well spiritually for this coming conference** this month, because failing to plan is planning to fail.

Prophecies of the Year 2023 to continue to pray for:

Church of Jesus Christ globally:

Churches that are not ready for changes this year cannot survive the next two years because God will move in an unusual **speed** to **prepare** His church **for the end time harvest**.

- God is **warning** the Church: We missed the last two years of **window of opportunities**. **We must not miss the coming one**.
- Be reminded: **God is working things towards the 1000 years of millennium** where the church of Jesus Christ will rule the world again. **The full manifestation of the power of the Church** will be seen in an extraordinary way on earth, more than it was at the beginning.
