

## Prophetic Focus of December 2023

By Apostle John E. Sagoe

### Topic: Touch of God

Key verse: Matthew 20:34

*So Jesus had compassion and touched their eyes. And immediately their eyes received sight, and they followed Him.*

This month of December we will experience more and more **the touch of God that will bring change in our lives.**

I see a month where **spiritual and physical blindness will be dealt with** by the power of God.

I see a month where **the power of God will affect spirit, soul and body.**

**God will help us** this month **for our faith to be strengthened and our prayer life to be stronger** because of what is ahead of us in 2024.

I see a December of **unusual temptation** like we have never seen before. But let us be alert, **God will give us victory through prayer and focus** on Him.

Watch out:

Let us **continue to pray against the thick, black blanket** that has been sent from the kingdom of darkness to cover our world and bring sickness and disease and sorrow. Pray that it will not prosper.

Let us **pray against any increase of blood shedding** this month.

Good news:

**God will help most people to finish well this year.** Whatever has been of concern or has been troubling our lives will be straightened up in this season.

I see also **a season of divine direction** that will lead into making the **right decisions** for our present and future.

Prophecies of the Year 2023 to continue to pray for:

- I don't prophesy death, I encourage prevention. **Because of the evil in the atmosphere each month the blood will fight the battle for us** as we embark in the operation "Holy Communion Passover Service" at the 17<sup>th</sup> of every month. So don't forget that **God has declared the victory over us even before the situation arises.**
- **The power of God is going to manifest through us, for us and in us this year.**
- And above all, the **Church of Jesus Christ** in all that is **rising** because we must not forget, **it is our Year of the God of Miracles.**
