

Prophetic Focus of March 2024

By Apostle John E. Sagoe

Topic: The Power of Words

Key verse: Luke 6:45

A good man out of the good treasure of his heart brings forth good; and an evil man out of the evil treasure of his heart brings forth evil. For out of the abundance of the heart his mouth speaks.

This month I see **words playing an important role** in our lives.

I see **deliverance from every negative word** that has been spoken out over lives, be it by others or by ourselves, in Jesus' name.

This month we will learn more about the **spiritual power our words have**.

We will use the authority of our words to speak blessings into our lives, families, relationships, ministries, churches and nations.

It's a month of **moving mountains with the power of words**.

Therefore, let us be watchful on the use of our words this season and beyond. If we use them rightly, they will move mountains. If we use them wrongly, they can cause our entire life to go the wrong direction.

I see a month where God is **opening our spiritual eyes to the spiritual damage our words can do** in our lives.

We must **never underestimate the power of words**. The devil works continuously to get us to turn our words into a negative direction.

If you are having pain, sickness, if you are discouraged or you are in debt at the moment: Don't let your mouth confess it as your permanent condition.

I hear the Lord say: **"Receive power to create your world with your word today!"**

Just as God demonstrated when He created the Heavens and the earth with His words, now you and I have the power and the authority to do the same on earth and in our environment.

I hear we should **pray for our relationships and for people in authority** in families, working places, for politicians and governments to be **mindful of how they use their words** more especially in this season.

I see **war of words result into physical manifestation** and physical war more and more in the next two months.

Watch out: I see the **spirit of misunderstanding on increase** in this season.

Good news: It's **time for inner healing from every negative word of the past** that has kept people in bondage.

Prophecy of the year 2024 to continue to pray for:

Altar Sacrifice:

God said we have to **warn the Body of Christ**. The Church will be weak if we don't **wake up to understand the sacrifice on the altar** because the evil world will increase in blood shedding more than 2023. Therefore, we need as the Church to wake up to the altar sacrifice!

We need to wake up as the Church and learn and study deeply what altar sacrifice is and what an altar is. Otherwise, we and our children will be in trouble.

Because we are living in the world in 2024 that the secret societies are going to another dimension of wickedness. The kingdom of darkness is rising to another dimension of destruction. So, we have to wake up. We have to wake up and we have to understand that **altars are very important in the spirit world** and we have to understand that in the spirit world, **God has given us power on the altar**. We must learn how it works because originally this was given to *us*. And we cannot allow the evil world and the secret societies to use it against us, against our children, against our family and against our churches. We must wake up.

The Church must rise and raise an altar to stop the rising of evil in our world and blood sacrifice that is on increase this year.
