

## Prophetic Focus of April 2026

By Apostle John E. Sagoe

### Topic: Breakthrough

Key verse: I Corinthians 15:57

*But thanks be to God, who gives us the victory through our Lord Jesus Christ.*

Welcome to our month of breakthrough!

This month, God is **rising in His strength to overcome every plan that the enemy has prepared** against us or our world.

**As we pray, I see a significant shift** taking place in the atmosphere in favor of God's people.

This is a month of the **manifestation of God's power, of victory over every activity of darkness and of breakthrough** in our world, environment, region, and family.

As we celebrate the power and the victory of our risen Saviour this month, I see us in our own personal lives also experiencing **the same power that raised Jesus from the dead**. Therefore, get ready, child of God, for everything that is dying or has died in our lives to receive resurrection power in this month.

This month, **God will reveal things before they happen so they can be stopped through prayers**.

I perceive in the spirit that there is a larger danger in the atmosphere, but through prayers and fasting, it will be interrupted and cancelled.

Every work of the enemy will be pushed back and God's people will step into victory manifestation.

**When God places a burden of prayer on His people, Heaven is ready to intervene** on earth. So let us not ignore what God has started in us through the burden of prayer. Let's continue to push this month individually and corporately as the Holy Spirit leads us in our meetings, because breakthrough comes **through intense prayer and spiritual activities and exercises**.

A burden of prayer means that **God entrusts us with something in the spirit**. It means an intervention **to partner with God to enforce breakthrough**. Sometimes the burden is not about us alone. It is about our lineage and generation.

Prophetic insight concerning the Middle East:

I see a month where **strategies of men will fail** and **God will use even difficult situations** to position His people and fulfill the purpose He has for His people.

As it has already been revealed, this time of crisis in the Middle East is also a time that **God wants the Church to rise and take her stand**.

Even in the escalations of things in our world, **God's power will be revealed and hearts will turn towards Him** in unprecedented ways.

This month I see the following signs of breakthrough manifesting in our midst:

- Sudden removal of long-standing obstacles
- Open doors where there were none before
- Unusual favour and access
- Acceleration after long delay
- Restoration of lost opportunities
- Clear direction and alignment
- Visible results and testimonies

Prophetic word for the year 2026 to continue to pray for this month:

USA:

I saw **internal tension in the nation rising and causing more political crisis**. So let us **pray for the current government**, more especially President Donald Trump, to be able to handle the situation.

I see the **party of the Republicans experiencing the spirit of betrayal rising within them**. It is getting stronger than ever, and this is going to lead into **division** within the party in the next 20 months if not addressed. And this would affect them in the coming elections.

This year, I saw an **increase in attacks from the opposition against the current government** in the US.

The USA and many nations around the world will feel the **negative effects of social media because of the constant exposure to bad news**. **Misinformation** will be on increase and this will cause anxiety and despair.
