

Prophetic Focus of December 2025

By Apostle John E. Sagoe

Topic: We love God!

Key Verse: 1.John 4:19

We love Him because He first love us.

Welcome to a month where we **prioritize His presence above** celebrations and **any other thing**.

This is the season of the year where **the love for God becomes more intentional** than anything we can think of.

Loving God in this season also means we end the year with **God at the center**, giving Him the final honor as our Alpha and Omega.

Loving God deeply this month opens doors, attracts divine favour and aligns us for 2026 to fulfill the will of God.

Take note: This month I see in the atmosphere an **increase of the spirit of destruction, the spirit of tiredness, laziness, and depression**.

Good news: This month, as we **focus on the love for God**, our prayer life will be ignited and we will be able to walk in the Spirit. Focussing on loving God will also keep our spiritual fire alive.

I see a December in which God is calling us **as a church to be open for those that He sends into His vineyard**. They may come in a way we do not expect, but they carry precious gifts.

This month, God is calling us specifically to **be aware of those ones among us that are vulnerable**. The weak, the aged, the children and those not having anybody to take care of them will become our ministry. **As we care for them, God will lift us to the next level.**

Then I hear that God is preparing us this month to **overcome the spirits that hate revival** and therefore attempt to destroy our spiritual lives and the fire of God that is in us. They will try to kill our prayer life, stop our worship life, remove the desire for the Word in us, replace hunger with laziness, and kill spiritual discipline.

God is calling us this month to **overcome these spirits by**

- staying under His covering (Psalm 91:1)
- keeping a strong prayer life (Ephesians 6:18)
- breaking every generational curse (Galatians 3:13)
- destroying evil altars through the blood of Jesus (Revelation 12:11)

Therefore, let us **walk in obedience and purity, speak divine protection daily and build an altar of worship and thanksgiving**.

Prophecy for the year 2025 to continue to pray for:

Mantles

And then what I saw is that **mantles are being released** in our world today and many, many **people that have gone ahead of us that were like fathers of faith or mothers of faith**, and their mantles are not being carried or their gifts are not being replicated.

I saw God giving the Body of Christ the chance again to catch those mantles. So I see people rising in those dimensions of Smith Wigglesworth and all those giants that have gone to be with the Lord. And even some of the people will be operating more than that dimension. So let us keep it in prayer, because we are in a new season in the Kingdom. God is **preparing the generation that will finish the work before the second coming of our Lord Jesus Christ**. Amen. So that mantle is the mantle for the last battle. So it will come on our younger generation.
