Prophetic Focus of November 2026

By Apostle John E. Sagoe

Topic: Victory

Key verse: I Corinthians 15:57

But thanks be to God, who gives us the victory through our Lord Jesus Christ.

Welcome to our month of **victory**!

This month, victory is **not limited** to overcoming enemies or winning spiritual battles, but God desires us to grow in faith, overcome sinful habits, develop a godly character, fulfill our divine calling and remain faithful through life challenges.

I see there will be **different areas of life** where we need victory. Some battles are spiritual, others are emotional, relational, physical, financial or personal.

A **victory mindset** will be needed this month more than ever before because it is the ability to face every area of life with faith in God, biblical wisdom, spiritual discipline and confidence in Jesus Christ.
We cannot walk in victory if our mind is occupied with defeat. **Change your thinking and you will change the direction of your life.**

Let us pray for institutions, companies and schools **against any attack of the enemy in this season.**

This month, I **see God showing us how to wage war in the spiritual realm** and how to overcome spiritual battles.

Let us lift up **prayers for our political institutions and politicians as well as spiritual leaders** because I see the rising and falling of leaders in this season.

Prophetic word over **Switzerland and Europe** we should continue to pray for:

I saw in the realms of the spirit how a cloud was gathering over Europe - a cloud gathering to bring a **heavy atmosphere of depression over Europe** beginning from the month of October.
But the Lord said, I should tell His people, no weapon formed against you shall prosper. No weapon fashioned against the Church of Jesus Christ shall prosper. No weapon fashioned against God's people shall prosper.
Therefore, let us arise. **Let us rise as the Church of Jesus Christ and push back every spirit of depression coming against Europe**, in the mighty name of Jesus.
Let us pray that people will not be overcome by fear.
Let us pray that people will not be subdued by darkness.
Let us pray that hopelessness will not prevail.
Let us pray that people will not die.
We pray that despair will not take over our cities, our families, our young people, or our nations.

Section of the Prophetic word for 2026 to continue to pray for this month:

For the nation of Ghana:

A year of creativity and innovation, says the Lord.

God will use this year to lift up the current administration or the current government to move many people in the nation into creativity by generating new ideas, ways of doing things, doing business, doing ministry. There is enough room for things that have never happened before in the nation of Ghana to begin to happen through the spirit of creativity that Heaven has released over the nation. And **the current government has become a channel that allows it to prosper**.

I hear that 2026 is **a year of improvement** for the nation, making things better than ever before and more effective. So I hear that it's going to be a hard work year for both the government officials and the politicians in the land.

I also hear, it is **a year of solving real problems and meeting up real needs of people**.

And then lastly, I hear that this year, God is going to empower many people by **putting different ideas into practical use**. So many people that have had ideas, visions or dreams, and have not been able to realise them, the Lord says to Ghana, it is a year of application, ideas will be put into practice.
