

## Prophetic Focus of October 2024

By Apostle John E. Sagoe

### Topic: God of Miracles

Key verse: Acts 19:11

*Now God worked unusual miracles by the hands of Paul*

In this month of October let us get ready for an **unforgettable visitation** from the God of miracles.

I also see **days of Kingdom power** where more and more testimonies will manifest in our midst.

For some people this month will be a time of transition from a bad year, for others it will be a time of preparation to see the fulfillment of promises and prophecies of God in their lives, for others it is a time of overcoming tests and trials.

But I hear the Lord say that **no matter the process we are in this month, we will experience the miracle hand of God.**

I hear we should **pray** more specially **for the following 10 miracles** to manifest in our midst this month:

- Full recovery from dangerous or life-threatening situations
- People that have been having ear problems or have even been deaf for a long time, will be healed
- Healing from incurable illnesses
- Hair, skin and limb recovery - even including growing again, where needed
- Divine protection for God's people at work, at home and in public places
- People walking again after being paralyzed
- Restoration of heart function
- Spiritual deliverance: freedom from demonic oppression
- Inexplicable peace in families, marriages and all other types of relationships
- Financial breakthroughs: unexpected debt cancellation and victory in the area of finances

I see a month where our **coming together to pray** will break the chains of the enemy, especially in the coming Hour of Encounter Prayer Conference, because of **the power of united prayers.**

Prophecy of the Year 2024 to continue to pray for:

Church of Jesus Christ globally

#### Key Leaders

Furthermore, **the enemy wants to spiritually and physically assassinate key leaders** by killing them physically or spiritually **because they are** the voices of the people and are **threatening the kingdom of darkness.** Therefore, if there is any year we have to **pray for our key leaders in the Kingdom**, it is **this year.** Very, very soon we will begin to hear it. And we don't want to wait until they start falling left and right, before we start praying. Therefore, we need to lift them up in all our fasting and prayers as quickly and as regularly as possible.
