

## Prophetic Focus of November 2024

By Apostle John E. Sagoe

### Topic: His Glory

Key verse: John 1:14

*And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.*

Welcome to the month of **His glory** where we will **experience His manifestation** like never before.

I see a season where many will be led to **do things for God like never before**. This will result in understanding and experiencing God's glory which will inspire and transform people.

I hear the Lord say that in this month **every strange voice speaking against us**, our calling and our career **will be uprooted** in Jesus' name.

This is a **season of focusing on Jesus**, the author and the finisher of our faith. As we focus on Him, He will help us to accomplish every task that He has given to us in 2024.

I see a month where **discipline** will play a big role in our life, especially towards the end of this year. I also see discipline and dedication bringing us **into a new realm of glory**, and helping us to stay there.

**In every service we should expect to be enveloped with His glory**. This means when His glory comes upon us in this month, we should expect that the glory will...

1. ... reveal God's character in His Church
2. ... shine through us
3. ... transform us as believers
4. ... restore hope in us
5. ... strengthen our foundation as a church
6. ... inspire our worship
7. ... bring salvation and help us to bring people into the Kingdom
8. ... reflect the character of God
9. ... help us to overcome every evil
10. ... sustain our faith
11. ... provide us with wisdom

Concerning Switzerland:

I hear that especially this winter there are going to be **spiritual activities on the Swiss mountains**. So I hear we should pray in this area **against any bloodthirsty demon**.

Cities to cover in prayer especially in this month: Biel, Geneva, Zurich and other **cities that are very close to lakes in Switzerland**. I hear that the enemy planned accidents and disaster around these areas in this season, so let us pray for them. Let us ask the Lord to give us victory and to stop all evil activities in these areas.

I hear also that we should **intercede for Europe, in particular for cities that are very close to borders**, that no attack of the enemy rising against them will be able to prosper this season.

Finally I hear we should pray for the **churches in Europe to be open for the upcoming move of God** that will **come through influences from outside the continent**. I particularly see God sending people from nations in Asia and Africa to come and bring a spiritual renewal here in Europe. Let us pray for the openness to that.

Prophecy of the Year 2024 to continue to pray for:

Church of Jesus Christ globally

- Godly order in the Church

**Exposure of evil leaders will continue this year more and more, because God wants to bring order in our world and in His church.**

**God also wants to stir up His Spirit in the world like never before. We have to be careful not to stop it.** We will be seeing the move of God in different churches, different nations and different places. But God is admonishing us, more especially leaders and organized religion, to take off their hands from stopping His Spirit like they have done in the past.
